Tuition & Fees

Tuition must be paid in full prior to the start of the term or students must be enrolled in a payment plan. If payment is not received the student will be unenrolled. Military tuition assistance, veteran's benefits or financial aid is considered payment. Fees are payable at the time of registration and are non-refundable once the term begins (reference table below).

It is the policy of Chaminade University to report all students with outstanding balances to the Credit Bureau beginning when charges are 120 days past due and continuing until the balance is paid in full. Collection costs on referred accounts are the responsibility of the student. To enroll in the Tuition Payment plan, please go to www.chaminade.edu/tuition-payments-and-billing. Dependents of DoD Civilian Employees are not eligible.

Day Undergraduate Students Taking PACE Courses

Any undergraduate student registering for the Fall and Winter sessions taking 12 semester hours of course work in a combination of day and evening classes will be classified as a full-time day student. The student will be charged the full-time day undergraduate rate plus fees. Any semester hours over 19 will be charged per credit hour.

Family Discount

Chaminade University offers a 10% tuition discount to concurrently enrolled students of the same family in the Professional and Continuing Education's Undergraduate Program. Family members of military students who are charged the military tuition rate may not receive the Chaminade family discount. Please check with an advisor for eligibility when registering.

Military Tuition Assistance

All Military Tuition Assistance (TA) will only cover the actual cost of tuition up to \$250 per semester hour. Students may not use TA to cover the cost of any supporting instructional fees (i.e. online course fee or lab fees). Any costs or fees outside of tuition are entirely student funded.

PACE Undergraduate Students using Army Tuition Assistance (Army TA) must submit registration, add/drop, or withdrawal requests through the GoArmyEd website. Please note the following critical information: PACE Undergraduate students must request Army TA by the Thursday prior to the start of the term. The GoArmyEd (GAE) system is set-up to process requests in the Eastern Standard time zone (EST). Requests made by students in the Hawaii Standard time zone (HST) must be made by 11 a.m. HST in order for their request to be processed that day in GAE by 5 p.m. EST.

Withdrawals

The instructor may withdraw students who miss two consecutive weeks of class, prior to the withdrawal deadline. Withdrawals are only effective for tuition refunds when initiated by the student during the refund period and in accordance with the appropriate refund schedule. The student must obtain written permission from the instructor to be re-enrolled in a class from which the student has been withdrawn. A re-enrollment fee is also charged to the student's account.

Only when the student presents written evidence such as military orders, a doctor's statement, or other reasonable justifying documentation for post-deadline withdrawal will the request be approved. Withdrawal forms may be obtained from an advisor at the various sites. PACE students may withdraw without record until the Wednesday of Week 3 of a 10 week term. In the case of undergraduate courses of other lengths, the last date of withdrawal will be set at the corresponding point of the term, which occurs when the course is approximately 25% complete. Withdrawal from a course after the last day of withdrawal without record will be noted as a W on a student's transcript.

If a student officially withdraws from a course (through the Records Office), whether or not the student attends class, a refund of tuition will be made in accordance with the following:

Withdrawal Period	Deadline (4:30 PM, HST)	Tuition Refund
Withdrawal prior to the first day of instruction	Sunday, July 8, 2018	100%
Withdrawal during Add/Drop Period	Monday, July 16, 2018	100%
Withdrawal during the second week of instruction	Monday, July 23, 2018	25%
Withdrawal No Record (will not appear on transcript)	Wednesday, July 25, 2018	No refund
Last Day to Withdraw	Monday, August 27, 2018	No refund

All fees and costs outside of tuition are non-refundable once the term begins.
