Fees are payable at the time of registration and are non-refundable once the term begins (reference table below).

It is the policy of Chaminade University to report all students with outstanding balances to the Credit Bureau beginning when charges are 120 days past due and continuing until the balance is paid in full. Day Undergraduate Students Taking Online & Military Base Courses

Any undergraduate student registering for the Fall and Winter sessions taking 12 semester hours of course work in a combination of day and evening classes will be classified as a full-time day student. The student will be charged the full-time day undergraduate rate plus fees. Any semester hours over 19 will be charged per credit hour.

Family Discount

Chaminade University offers a 10% tuition discount to concurrently enrolled students of the same family in the Online & Military Base Undergraduate Program. Family members of military students who are charged the military tuition rate may not receive the Chaminade family discount. Please check with an advisor for eligibility when registering.

Military Tuition Assistance

All Military Tuition Assistance (TA) will only cover the actual cost of tuition up to \$250 per semester hour. Students may not use TA to cover the cost of any supporting instructional fees (i.e. online course fee or lab fees). Any costs or fees outside of tuition are entirely student funded.

Online & Military Base Undergraduate Students using Army Tuition Assistance (Army TA) must submit registration, add/drop, or withdrawal requests through the GoArmyEd website (<https://www.goarmyed.com/>). Please note the following critical information: Online & Military Base Undergraduate students must request Army TA by the Thursday prior to the start of the term. The GoArmyEd (GAE) system is set-up to process requests in the Eastern Standard time zone (EST). Requests made by students in the Hawaii Standard time zone (HST) must be made by 11 a.m. HST in order for their request to be processed that day in GAE by 5 p.m. EST.

Withdrawals

The instructor may withdraw students who miss two consecutive weeks of class, prior to the withdrawal deadline. Withdrawals are only effective for tuition refunds when initiated by the student during the refund period and in accordance with the appropriate refund schedule. The student must obtain written permission from the instructor to be re-enrolled in a class from which the student has been withdrawn. A re-enrollment fee is also charged to the student's account.

Only when the student presents written evidence such as military orders, a doctor's statement, or other reasonable justifying documentation for post-deadline withdrawal will the request be approved. Withdrawal forms may be obtained from an advisor at the various sites. Online & Military Base students may withdraw without record until the Wednesday of Week 3 of a 10 week term. In the case of undergraduate courses of other lengths, the last date of withdrawal will be set at the corresponding point of the term, which occurs when the course is approximately 25% complete. Withdrawal from a course after the last day of withdrawal without record will be noted as a W on a student's transcript.

If a student officially withdraws from a course (through the Records Office), whether or not the student attends class, a refund of tuition will be made in accordance with the following:

Withdrawal Period	Deadline (4:30 PM, HST)	Tuition Refund
Withdrawal prior to the first day of instruction	Sunday, April 7, 2019	100% *
Withdrawal during Add/Drop Period	Monday, April 15, 2019	100% *

Students should register early and must contact the appropriate site office to submit a pass request 14 days prior to the start of the term.

Students enrolled at multiple base sites are required to obtain a pass for each base site and a new pass is required for each term. Late pass requests will not be accepted. Access to some military bases may not be possible due to increased security conditions. Students are reminded they are guests on all military sites and are required to conform to all base rules and regulations while there. Seat belts must be worn at all times, speed limits and any other restrictions must be obeyed. Motorcycle and moped operators and passengers must wear a helmet and reflective vest.
